About

Software Engineer with a Computer Engineering background and specialization in Software Engineering, experienced in designing and building full-stack web systems. Strong focus on frontend architecture and user-facing systems, with practical experience developing backend services, REST APIs, authentication flows, and database integrations.

Work Experience

Software Engineer (Intern)   May 2024 - Nov 2024
Loop Technologies   Buea, South W. Region, Cameroon

- Designed maintainable frontend systems, translating UX requirements into reliable web applications.
- Integrated backend services via RESTful APIs, implementing real-time interactions and authentication flows.
- Collaborated closely with backend engineers and product stakeholders to ensure system reliability, performance, and smooth deployment.

Software Engineer (Intern)   Jul 2024 - Feb 2025
OpenTek   Yaoundé, Centre Region, Cameroon

- Led the development of a Human Resource Management module for a large-scale ERP system.
- Architected frontend interfaces, backend services, and PostgreSQL database integrations
- Designed and implemented RESTful APIs, authentication mechanisms, and core business logic using Node.js, Express, and PostgreSQL.
- Collaborated in an agile team across the full software development lifecycle.

Projects

- QuickFiller (Browser Extension) : A browser extension built to automatically fill web forms with realistic mock data, helping developers and QA testers speed up repetitive form testing. https://quickfiller.vercel.app

- Portfolio website : Created a personal portfolio website to showcase my projects and skills. Featuring dynamic project display and responsiveness . https://ngoba-steve-portfolio.vercel.app/

Skills

- **Programming :** JavaScript, TypeScript, Python (basic), C, C++
- **Web & Systems:** React, Next.js, Node.js, Express, REST APIs, Firebase, React Native
- **Databases:** PostgreSQL, MySQL, MongoDB, Prisma
- **Tools:** Git, GitHub, Docker (basic), Postman, Vercel, Netlify, figma

Education

BEng. Computer Engineering   Oct 2021 - July 2025
University of Buea   Buea, Southwest Region, Cameroon

Languages

- **English** (Native – full working proficiency)
- **French** (Intermediate)
